

Better Beds for Better Bedrooms

Modern times demand improvements in all things. In the home every means to provide luxury, comfort and economy is among the foremost of modern ideas. It does not pay to furnish your bedrooms cheaply. Enjoy home pleasure with good furniture. That's what we offer you—the best. Our showing this season is larger than it has ever been—our goods have a reputation. Honest goods at honest prices.

Simmons Brass Beds are truly representative of the high quality which is the secret of our success. They are the beds about which you have read in The Ladies' Home Journal and The Saturday Evening Post. And at our low prices you can buy them.

Employees of the Vermont Tel. & Tel. Co. were engaged yesterday in laying along the underground wire conduits of the company on North Main street new lead pipe for the retention of service wires. Many feet of the pipe was paid out during the afternoon and more was released from the pipe drum to-day. Service patrons of the line on Merchant and Pearl streets and Keith avenue are to benefit by the work.

Action in the matter of establishing the office of deputy chief in the police department, which has been pending since last year, will be taken at the meeting of the city council Tuesday evening. Recently the aldermanic police and legislative committees, the chief of police and the city attorney met in conference and it is expected that the committees will have some recommendations ready when the council convenes. It is proposed to have a deputy head of the department to have charge of the force at night.

One baseball game stands out alone on the week-end sports scene. The game of the Berlin street grounds this afternoon at 3 o'clock, the Italian A. C. will play the University of Vermont second team. Much interest has been manifested in the track meet to be held at the Granite City driving park at 3 o'clock, the contestants being Goddard seminary and the Barre hose company. Field and track events are to be in progress at the same time. At Franklin, Mass., Goddard's baseball team is to play Dean academy to-day.

James Culligan, who has been connected with the fire department as a driver of the auto truck for the past year and whose resignation was accepted by the board of aldermen Tuesday evening, left the city this morning for Hudson Falls, N. Y., where he is to join Mrs. Culligan, who preceded him several weeks ago. Mr. Culligan expects to be employed as a chauffeur in Hudson Falls. J. Neale Emerson of Lancaster, N. H., will arrive in the city this evening to drive the motor truck. A year ago Mr. Emerson successfully passed the civil service examination given by the aldermanic fire committee and substituted for the regular driver during several weeks.

Ten thousand Norway spruce transplants will be brought to the city late this afternoon in a motor truck, the purchase of the little trees from H. M. Tottman, a Randolph florist, having been negotiated for the city by Supt. Alex. Hanton of the cemeteries, Supt. F. O. Lee of the water department and Park Commissioner G. N. Tilden early in the week. The water department expects to use 5,000 of the spruces in its reforestation project at one of the city reservoirs. Three thousand transplants are to be used by the park commission at the city pasture on the Merchant street extension, and Supt. Hanton is to have 2,000 trees for the slopes at Hope cemetery.

The Fullest Measure of Value

At this time of the year, when nearly every one is talking higher prices, we are very pleased to be able to offer to the trade the most of our merchandise at the old prices. This is due mostly to the fact that we anticipated ahead and bought much heavier than usual, before the advance came. We have some extra good values in Tailored Suits, that we were able to pick up at less than the regular prices, together with a few odd Suits that we have in stock. These we are putting special prices on for the next few days.

We are also offering a lot of odd Coats in Blues and other colors, at much less than the regular price. These are Coats we bought under the regular price, together with what odd Coats we have in stock. See these values as soon as possible.

Ladies' White and Colored Wash Skirts

We have now our full stock of White and Colored Wash Skirts ready for your inspection and selection. These are Skirt values that we cannot duplicate later at the prices we are now selling them at.

This is a line of Skirts that for fit and style has no rival. In the cheap and medium-priced Skirts we carry the Rutland-made. This is a Skirt that is made from the season's best materials, and the styles and finish are the very best.

In the better grade Skirts, we will give you your choice of the M. & C. or the Wooltex Skirts. These are Skirts that are made by people who make our best Wool Skirts. Every yard of material is shrunken, and the hands are shrunken, before the Skirt is put together. This relieves you of all the worry of the laundry shrinking of getting the garment out of shape.

At \$1.25 we will give you a very good Skirt that is made from a medium-weight drill. It is in the best colors, in Blue with White Polka Dots.

In the White Skirts, we start them at \$1.25 in the Repps and Piques, and will give you just as good a skirt at the price as we were ever able to show.

We will give you the best value in a Cotton Serge we ever put out. This is a cloth that launders and looks as nice as an all wool cloth.

See our special values in Fancy Checks and Stripes, in cloths that are new and of the season's best values.

See this line of Skirts and you will surely get interested.
